

## **Recommendation 7 - Rostered rest days – amendment to Annex H**

The rate of pay for working on a rostered rest day is no longer at double time if less than five days' notice is given. Pay will be at time and a half for working on a rostered rest day with fewer than 15 days' notice.

Travelling Time on Rest Day and Public Holiday working under previous Regs has not been amended and therefore remains as below:

Subject to any reasonable limit imposed by the Chief Officer, travelling time to and from duty on a rest day may also count as duty. It will not count from the point at which travelling time and the period of duty exceeds six hours.
