

# The Police Treatment Centres

A charity providing treatment, support & recuperation for injured and ill police family members

## Police Officers, PCSO's and CDO's - Sign up NOW & access PTC treatment straight away

When you sign up for the PTC there is normally an initial waiting time of 12 months before you can access treatment.

BUT, between 16 December 2018 and 16 January 2019, if you sign up you will be able to access treatment straight away.

AND, signing up couldn't be easier. Simply email [SSF Payroll](mailto:SSF.Payroll) and they'll do the rest.

You may have an existing injury or issue that is affecting your ability to work, and it doesn't matter if your injury occurs on or off duty – it could have occurred playing football or even walking the dog.

And your visit to the PTC will be in duty time.

The Police Treatment Centres is a registered charity which provides treatment and support, including intensive, police-specific, physiotherapy and rehabilitation, for injured and ill Police Family Members. Treatment is offered free of charge to donating Officers, PCSO's and CDO's.
