Policy Exceptions

The Contract of Insurance

The policy, the information the **Insured Person** or **You** have provided and/or the application form, the declaration made by **You** and the **Schedule** should be read together and form the contract of insurance between **You**, the **Policyholder** and **Us**, Aviva.

Important Information

Data Protection Act – Information Uses

For the purposes of the Data Protection Act 1998, the Data Controllers in relation to any personal data **You** supply is Aviva Insurance Limited.

Insurance Administration

Information **You** or the **Insured Person** supplied may be used for the purposes of insurance administration by **Us**, its associated companies and agents, by reinsurers and **Your** intermediary. It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing of **Our** compliance with any regulatory rules/codes. **Your** and the **Insured Person(s)** information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. In assessing any claims made, **We** or **Our** agents may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossessions). Information may also be shared with other insurers either directly or via those acting for **Us** (such as loss adjusters or investigators).

With limited exceptions, and on payment of the appropriate fee, **You** or the **Insured Person** have the right to access and if necessary rectify information held.

Sensitive Data

In order to assess the terms of the insurance contract or administer claims that arise, **We** may need to collect data that the Data Protection Act defines as sensitive (such as medical history or criminal convictions). By proceeding with this application **You** will signify **Your** consent to such information being processed by **Us** or its agents. **You** must also ensure that **You** make this fact known to the **Insured Person(s)** and obtain their consent to pass this information to **Us** for these purposes.

Fraud Prevention and Detection

In order to prevent and detect fraud **We** may at any time:

- Share information about **You** or the **Insured Person(s)** with other organisations and public bodies including the Police;
- Check and/or file **Your** or the **Insured Person(s)** details with fraud prevention agencies and databases, and if **You** or the **Insured Person** give **Us** false or inaccurate information and **We** suspect fraud, **We** will record this. **We** and other organisations may also search these agencies and databases to:
 - Help make decisions about the provision and administration of insurance, credit and related services for **You** or the **Insured Person** and members of **Your** or their household;
 - Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **Your** or the **Insured Person(s)** accounts or insurance policies;
 - Check **Your** or the **Insured Person(s)** identity to prevent money laundering, unless **You** or the **Insured Person(s)** furnish **Us** with other satisfactory proof of identity;

The Contract of Insurance

- Undertake credit searches and additional fraud searches.

We can supply on request further details of the databases **We** access or contribute to.

The policy wording, the information the **Insured Person** or the **Policyholder** have provided and/or the application form, the statement of fact, the policy **Schedule**, or notice issued by **Us** at renewal and any endorsement together form the contract of insurance between **Us** and the **Policyholder**, and must be read together.

In return for the **Insured Person** or the **Policyholder** having paid or agreed to pay the **Premium**, **We** will provide the cover set out in this policy, to the extent of and subject to the terms contained in or endorsed on this policy.

Important

This policy is a legal contract. You must tell **Us** about any material circumstances which affect **Your** insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence **Our** judgement in determining whether to provide the cover and, if so, on what terms. If **You** are not sure whether a circumstance is material ask **Your** insurance adviser. If **You** fail to tell **Us** it could affect the extent of cover provided to the **Insured Person(s)** under the policy.

You should keep a written record (including copies of letters) of any information **You** give **Us** or the **Policyholder's** insurance adviser when **You** renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in **Us** automatically being discharged from any liability, then such a breach shall result in any liability **We** might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that **We** will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then **We** agree that **We** may not rely on the non-compliance to exclude, limit or discharge **Our** liability under this policy if **You** show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
